

**BIGGER, BETTER, STRONGER.** This is the theme of our GREAT REBUILD. We recently had our annual fundraiser banquet, which with your help was a great success! With today being just two business days after the event, and pledges still coming in, we don't yet have the final numbers however, our guesstimate is \$150,000.00! This is half of the remaining amount needed to complete the project. **WOW!** What many thought was impossible is another **MIRACLE** being performed before our very eyes. We're thankful to the many businesses who sponsored, to the individuals who volunteered and guests that donated. My favorite part of the evening was the many miracles that graced the stage. Boldly and confidently, some graduates ranging from 2009 to 2022 shared just how instrumental the home of The Light House and services offered within it's walls were to their life transformation and long term success. I want to extend my sincerest gratitude to all who gave. When we do our best, God **ALWAYS** shows up and does the rest! I have full confidence in His ability to continue pulling His people together to secure the funds needed to complete the GREAT REBUILD. As is promised, the latter shall be better than the former and when this is all over, we'll be housing and serving even **MORE** women and their children. Together, and with God's help, we will soon be **BIGGER, BETTER** and **STRONGER!**

Blessings, Vikki
