It's FREEDOM month and we hope you enjoyed a wonderful holiday. Around here, we celebrate every day! Freedom from the bondages of addiction, prostitution, abuse, shame, guilt and so much more. I enjoyed a quick trip to the coast. As most of you know, I love a quick get-away to the ocean whenever I get the chance. While away, I usually will visit a Lighthouse, if there's one in the area. I enjoy reading the names of the various Lighthouse Keepers who tended to it and kept the light on throughout the years. Fascinating how they were so instrumental in guiding ships away from danger. Recently, the Lord downloaded to me what I call a 'God idea'. A project that would provide the names of OUR Light House Keepers for all to read about for years far beyond our own. With our need to break ground in August on the Great Re-Build and being just \$100,000 away from having all the costs covered, NOW is the time to launch the 'Light House Keeper' legacy opportunity. I'm so excited about the vision, implementation and outcome of this project and hope you'll not just love it too, but will become an official keeper. The project will look something similar to what's pictured here, standing approximately 4 to 5 ft high, lit on top and will offer various size plaques for you to note your family name, special message, scripture or memorial. Won't YOU be one of our Light House Keepers?! John 8:12

CELEBRATION

We celebrated Sharon's completion of residential services late last month. Sharon came to us just shortly before the fire. At 71 years young, Sharon was struggling after turning to the bottle for comfort from the loss of her husband and home. She was strong and determined to leave differently than she came. She did just that! She has begun a wonderful, new relationship with the Lord, has engaged in a local home church and bible study and has already attended her first alumni event. Sharon is also proudly wearing the title of 'volunteer coordinator' for our thrift store. She's polite, professional and all polished up! The Lord has turned her frown upside down and she has found a new purpose. Thank you for helping ladies like Sharon to find their smile again.

Be on the LOOK OUT! We are needing to relocate our thrift store business site. A location that would better support the boutique type items we sale and thrift store prices would be in a shopping center with higher foot traffic volume. Although the Tower District building gave us a great start, we desire to be in busier spot that is supportive of the women's recovery. While you have your eyes open helping us to find the perfect spot, please also continue to support us with your gently touched donations and drop in Tuesday -Saturday to shop our great items and best prices. Many name brands to choose from!

2022 GOALS & IMPACT

Can you believe we're already half way through the year? They say, "Time flies when you're having fun!" Serving here at The Light House sure is fulfilling and fun. Especially when you get to see lives being transformed before your very eyes. We've seen women get jobs, others promoted. Their savings accounts increase. Women being reunified with their children, purchase vehicles and find a new hope in Christ. A few of our goals to finish the year are to serve more women, plan for our annual recovery conference, identify a few new board members and acquire more transitional living space. Our windows should also be finished at our Bridge transitional complex, a gift from Fig Garden Rotary. Thank you to all of our sponsors; individual, corporate and family foundations.
